***6th OTIE SUMMER SCHOOL in Tourism Economics***

***“Islands & Events: Economics and Management”***

**Gozo- Malta**

**31 th July- 5 th August 2017**

## ***Focus on Islands & Events: Economics and Management***

OTIE Summer School 2017 has the general objective of providing scientific contents and techniques to train future experts in events management and promotion for islands.

University professors and professionals on events and tourism management will provide to participants all the knowledge, the contents and instruments they take to face islands challenges.

In particular, the goal of this edition is provide the tools and the knowledge for organizing, manage and promoting events in insular contexts to support local development.

At the end of the course, the students will test their ability by defining the project of a new event in Gozo which will be exposed the last day and evaluated by local authorities and entrepreneurs.

### ***Maltese Islands***

6th OTIE Summer School will be held in Gozo and Malta.

Gozo is a timeless place with spectacular beaches, world heritage sites, lovely walking trails, historic museums, traditional food and unmatched diving experience.

After dinner, several places are open to drink and chat, as well as a few clubs in Ir-Rabat and discos. Regular special events involve tourists during the summer.
